Society

Abstract submission guidelines

The Conference Secretariat and the Scientific Committee welcome you and invite you to submit posters in a broad range of categories.

Details of the terms and submission process are listed below.

Abstract submission

The final date for abstract submission is **July 18th 2025**.

Abstracts may be submitted only through the website. Any other method will not be considered. Please read the rules of submission before submitting your abstract.

Should you encounter any difficulties, please do not hesitate to contact the Conference Secretariat via email:

icrsconf@kdltd.com

Rules for Abstract Submission

- The Scientific Committee will review all the posters, and once complete, you will get information about presenting or not your poster.
- All abstracts must be submitted and presented in English in spelling quality suitable for publication.
- Upon submission, the abstract submitter confirms that the poster has been revised and that all information is correct. The content of this abstract cannot be modified or corrected after final submission and the author is aware that it will be published exactly as submitted.
- The abstract submission constitutes acceptance of the authors regarding its publication (e.g. conference website, programs, other promotions, etc.).
- Submitted posters containing research by clinical trials on human or animal subjects must be approved by the Helsinki Committee or by the local Institutional Review Board.
- The organizers have the right to remove any abstract which does not comply with the above.
- Upon submission, the abstract submitter confirms that the contact details saved in the system are those of the corresponding author, who will be
